

Thanks for playing the Forge at Autodesk University 2020 Bingo Game.

**Here's how to play:**

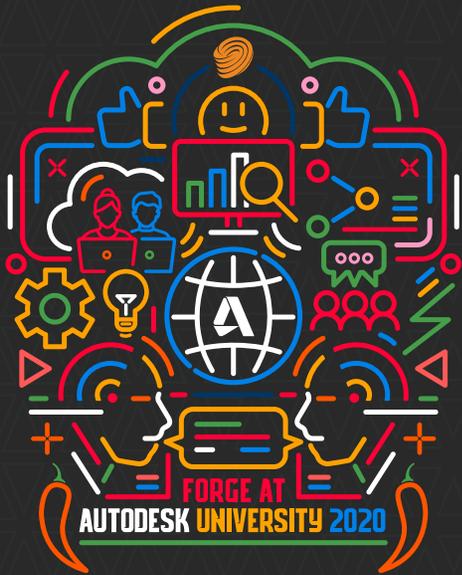

Download and print out a Bingo card. Have it ready when you watch Forge content on the AU site. Watch and listen for any of the terms listed on your Bingo card. If you hear or see a word on your card, cross it out. If you get 5 in a row, then you've got Forge at AU Bingo!

**To claim a prize:**

Take a picture of your completed Forge at Autodesk University 2020 Bingo Card and post it on Twitter tagging @AutodeskForge. The first 10 people to post their completed Bingo card will win a prize. Card must be posted before December 20, 2020.

Once you post your completed Bingo card, if you are one of our 10 winners, one of our team members will reach out to you via Twitter to get your address and info to send you a special Forge prize.
